• New Varieties • Reasonable Prices • Best Quality • From Grower to You

From 1880 to 1962 - Our 82nd Anniversary Year **1962**

Another year rolls around and once again our list of Gladiolus is being sent to you and do hope that you will have little trouble in ordering. The steady increase in costs make it impossible for us to continue the sending of high price catalogs like we have done in so many years past.

Increases in postage and labor are here again, selling costs still going upward, but we will not increase prices and continue to PAY POSTAGE, this we can save for our customers.

We have experienced a very favorable growing season, fortunately we have a fine crop of bulbs to offer. Our general list of varieties you will note have been incerased with the addition of recent introductions. We also have a wonderful selection of the Miniatures so popular today.

OUR NEW BARGAIN OFFERS FOR THIS SEASON ARE EXCEPTIONAL—ORDER NOW!

Shipping season starts the middle of December when bulbs have gone through their proper stage-of-curing-and will continue until June 15th. PLANT BULBS AT INTERVALS OF 10 DAYS UNTIL JUNE 15th FOR A LONG BLOOMING SEASON UNTIL FROST.
